FunRide is a unique car sharing service that offers exclusively alternative fuel and hybrid vehicles to lease on an hourly basis. We are committed to saving you money in your transportation budget while keeping our air clean and reducing our dependency on foreign oil. FunRide vehicles are now available for our members. Visit Our New FunRide Pods!

We have two new pods since our last newsletter. We have the Honda Insight Hybrid parked at the Quality Suites at 1631 Monterey Street in San Luis Obispo. The vehicle is being used by visitors to the hotels on Monterey Street and local residents. Our second new pod is in the parking lot behind SLO City Hall. The CNG Honda Civic is parked at that location. This pod is right next to the SLO Transit Center, so members can ride the bus to get to their FunRide vehicle. We are working on adding a pod in the RRM Parking Lot at 3765 South Higuera Street. Joining FunRide gives you a fleet of green vehicles to use when your car is in the shop or you need a cool vehicle for a big event. So go to our website at www.myfunride.com and find out how easy the FunRide service is to use.

Check Out the New Look of the FunRide Website

We have been making some major changes to the FunRide website at www.myfunride.com. We have all the vehicles on display on the home page. We have updated the Location section to include one map showing all the pods within San Luis Obispo. We will be adding additional cities in San Luis Obispo County as we expand our services. We will be making additional updates to our website in the next several months, including a Library section full of information on car sharing and alternative fuel vehicles.

FunRide Truck is Here

FunRide has added an E-85 Dodge Dakota Truck to our fleet, so our members can lease a truck by the hour to meet their hauling needs. The truck will seat four and will be located at Central Coast Brewing at 1422 Monterey Street in San Luis Obispo. The new truck is the fifth vehicle in our fleet. Now when your friends try to borrow your truck, you can have them join FunRide and have a truck available 24/7. Give us a call at 547-2225.

FunRide's Earth Day Membership Special

FunRide is rapidly approaching our 100th member and we would like to celebrate the 40th Anniversary of Earth Day with a membership special for the month of April. If you join this month for the \$30 annual membership fee, we will give you **\$30 of driving time** over the first two months of your membership. You can try the cars and truck out on us. To join FunRide, just go to our website at www.myfunride.com and click on the JOIN NOW button or call Pat at 547-2225.

FunRide Looking at Los Osos and Morro Bay

FunRide is looking to place a vehicle in Los Osos or Morro Bay as our first pod outside the City of San Luis Obispo. We need for 30 residents to join FunRide and we place a vehicle in the community for visitors, residents, and City employees. So take advantage of the Earth Day special and join FunRide in April. Your membership period will not begin until the vehicle arrives in your community, either Los Osos or Morro Bay. It's easy to join on our website: www.myfunride.com. FunRide will be coming to your community soon as we expand our service throughout San Luis Obispo County.

Upcoming FunRide Events
